The staff had a great day visiting Rosanna Golf Links Primary School yesterday. The day allowed us to talk with other teachers and to reflect on the programs we run at Hesket; in many cases the quality of our programs and how lucky we are as a staff to be able to work with every student. Having so many opportunities for learning conversations is something that is unique and that we don't take for granted.

Students of the Week

Congratulations to Leo and Kobi who were last week's Students of the Week. Leo has been preserving and challenging himself with his learning and Kobi was awarded for working so hard on his fractions over the week. Congratulations to you both!

Next Week

Next week Mr Williamson will be away for the week, completing a five-day compulsory Occupational Health and Safety (OHS) course. The two grades will be working together next week with the support of both Deb and Beth. We hope you have a good week Nick and thank you for volunteering to complete the training for our school.

Victorian Premiers' Reading Challenge

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 6 September 2019.

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

Books that students have already read this term will be added by their classroom teachers.

To read the Premier's letter to parents, view the booklists and for more information about the Victorian Premiers' Reading Challenge, visit: www.education.vic.gov.au/prc

Library

This term during MARC library sessions students will continue to be read books by Australian authors using titles from the CBCA (Children's Book Council of Australia) short-listed books. We will continue to discuss book genre while complete a variety of different activities relating to each book.
