– they are lovely!

Welcome back to Term Four everyone. The year has absolutely flown by and I'm sure this term will be no different. The highlights of this term will be school camp to Phillip Island for the Senior students, the culmination of our whole school sports day with the running of the Hesket Cup and welcoming of our 2020 Preps to school with Step into Prep program.

Hesket's Got Talent

Although the fabulous Hesket's Got Talent show now seems so long ago, it does need to again be mentioned. What a great performance that our students put on – and how could it not be with all the hard work they put in?

Thank you once again to the team here at school who showed their flexibility and many talents in coordinating the show and to our parents and families who went above and beyond to support the show.

Thank you to Tim Richards for sending through photos

Birthdays

We had a number of birthdays over the school holidays and it sounds like these students had a great time celebrating. Happy birthday to Ella, Jayden and Kobi!

Demonstrating Respect at Hesket

Last term we had a uniform blitz where everyone rose to the challenge of wearing their school uniform correctly. The reward was our Footy Colours Day which the students absolutely loved.

This week, Mr Williamson held a meeting with all students and together they decided that another challenge was in order, this time with a focus on showing our school value of Respect. The students will be checking in with their teachers during the day, reflecting on how they can be show respect to one another.

The students are yet to decide on what should be a reward for consistently demonstrating Respect but their suggestions are a casual clothes day, a special lunch, a pj days, a movie... and many more. It would be great if families could follow up the conversations we have been having at school to reinforce this value.

School Fence

I hope that everyone has had the chance to drive past the school and see our 'Welcome to Hesket' letters in their new home along the basketball fence.

Camp Notes

Please find attached notes for the upcoming Grade 3-6 camp. If you have any queries, please don't hesitate to ask.

Feedback from Community

Thank you to everyone who responded with feedback about our proposed family daycare. Planning for a before and after school program will continue with more detailed feedback to be provided following the next School Council meeting.

The response to feedback sought for an instrumental music program was overwhelming with many families interested in the opportunity for their

children to participate in an 'opt in' music lesson at school. The vast majority of responses were for keyboard lessons. Given this, we are hopeful that a keyboard program will be able to begin in 2020 and will continue to gauge interest from families in relation to other instruments.

Subway/Canteen

Tomorrow is a Subway lunch day.

If anyone is able to help out in the canteen over the next six weeks, we'd love to hear from you.
