2019 Term Dates

- Term Two – 23rd April – 28th June
- Term Three – 15th July – 20th September
- Term Four – 7th October – 20th December

Curriculum Day

We hope you all had a great weekend and enjoyed your extra-long break. Last Friday was a really productive day for Nick and I here at school. We appreciated having time to sit together to analyse and discuss the students' writing. We were able to see where students require focus and to then set individual learning goals in the area of Writing.

Students of the Week

Congratulations to Ella and Robert for being awarded this week's Students of the Week. Ella received her reward for the beautiful way she has been speaking in class. Robert got his award for showing such wonderful sportsmanship at Volleyball, he represented the school in a fantastic way. Well done to you both!

Swapping StickeeZ

Following some regretful and perhaps 'unfair' trades, resulting in upset students, we have made sure that all students are very clear of the rule that trades are not permitted at school. This includes: StickeeZ, footy cards, Tazos, Little Shops, or whatever arises as the latest craze! However, after talking to all the students and hearing their suggestions and ideas on the matter, we are making an exception to the rule. As a one off, next Thursday recess, Mr Williamson will supervise a special 'StickeeZ' swap for those students that wish to participate.

Working With Children (WWC) Checks

Just a reminder that all volunteers in the school, parents included, are required to hold and present a Working With Children check to the school office before volunteering in the school.

Reminders

Photos - Please return your photo order forms if you haven't done so.

Brain Food/Water – If your child is having 'Brain Food', please provide a small piece of fruit or vegetable that is quick and easy to eat and a refillable bottle that only has water for your child's desk.

Supervision - Students are supervised from 8.45am through 3.45pm. As a courtesy, please let a staff member know if you need to drop off or pick-up your child outside of these times.

Hesket students are respectful. Hesket students are responsible. Hesket students achieve their best.

Swimming Program

Notes for our school's annual swimming program, commencing Monday 29th of April are attached to this week's newsletter. The program will be held daily for the week at the Gisborne Aquatic Centre, and will be provided by qualified instructors. The cost of the program, including bus, pool entry and instructors, is \$90.00 per student. Also attached to the newsletter is a Student Swim Ability Form. Please return it so that ability groups can be formed.

Help Needed

We have been planning our new crop of veggies and herbs and think it would be a good idea to move the current beds closer to water and to fill the vacant area between the undercover area and the school. We have contacted a tyre shop in Woodend who is happy for us to take some old tyres off their hands; we are looking for some help in collecting them. If someone who has a ute and would be able to collect the tyres speaks to a member of staff, we can organise the pick up. We would also love some sample pots or left over paint in bright colours to paint the tyres.

Starting Term 2

'Hesket Kids'

@ Hesket Primary

Story time - Craft - Play

- School Readiness Program for 'Kinder Kids'
- Term 2 - Friday Mornings 9.15-10.15
- Siblings welcome
- Ph (03) 5427 0330 for more information

Macedon Primary School, 67 Smith St, Macedon
5th Saturday of the month, 4 times a year

Come down and visit some of the finest producers in the state at the inaugural Macedon Village Farmers' Market held below the majestic Mount Macedon on the welcoming grounds of Macedon Primary School. The market will be an extension of the Woodend Community Farmers' Market with many of the same stallholders bringing their high quality produce to the Macedon and surrounding communities, 4 times per year on the 5th Saturday. You can expect the same focus on sustainability, authenticity and community. Any funds raised will be used to further the Macedon Primary School's landscape project.

Market dates in 2019:

30/3 • 29/6 • 31/8 • 30/11
