

Diary Dates

May

- Mon 4th – School Council via Webex @4pm
- Fri 29th – Grade Six High School forms to be returned

June

- Fri 26th – Last day of Term Two

Well done to everyone for the way that you are approaching a very different Term Two.

What we've seen is a wonderful combination of creativity, flexibility and patience as we all begin to find new routines in a very new way of learning.

We've absolutely loved seeing photos of Maths and Writing on Seesaw, videos of student's reading,

Webex conferences either one-on-one or in small groups, teachers learning how to use new technology, Science and Auslan lessons and even some pretty amazing (and inventive) PE lessons in backyards.

People continually ask me how remote learning is going and my response is that given the situation, we are trying our very best, having as much personalised contact with our students as we can, learning and refining as we go, and are feeling supported by our families as we do so. I think we are all doing a pretty good job.

In this week, we are beginning to find routines and we hope that you are too. I am hopeful that as weeks pass by (should they need to), we'll continue to refine the way we are teaching and your children are learning.

Nick, Zoe and I are really enjoying having our virtual classrooms open for online conferencing as well as giving students another opportunity to see their friends. We continue to encourage families to take this opportunity to make contact with us.

Students of the Week

Congratulations to Chase and Leo who are this week's Students of the Week. You have both done an incredible job of staying focussed and showing us work that you should be proud of. Keep up the wonderful effort you two!

Happy Birthday

We have two birthdays in April. Curtis had his on the 11th and Matilda will celebrate hers on the 28th. We hope you both have a great day with your families.

ANZAC Day

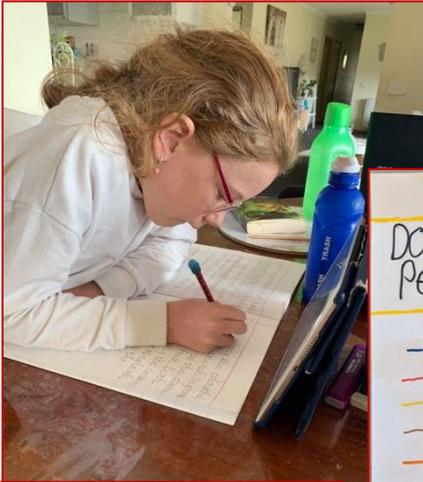

Tomorrow is ANZAC Day and normally two of our Student Leaders would represent us all at the ANZAC Day ceremony in Woodend, however, we won't be doing so this year. If you live in Woodend and you walk past the Woodend War Memorial, you will see a wreath from the Hesket Primary School community to commemorate this special day.

Upcoming Whole School Review

As you may have already presumed, our planned Term Two four-yearly school review has been postponed. We will communicate when this will be held when we are notified.

School Council

The next School Council meeting will be held remotely via Webex on the 4th of May at 4pm. An invitation will be sent to all members via seesaw and documents via email.

Online safety
DON'T GIVE OUT YOUR Personal information

- school name
- Full name
- Address
- Phone number
- Family number

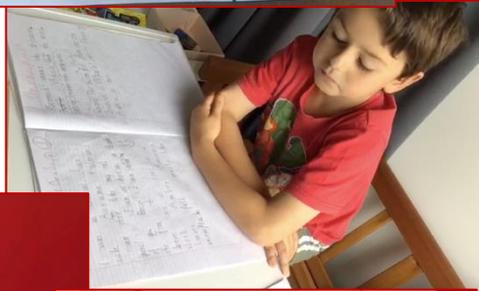

WHY?
 Because it's dangerous to share your personal information with strangers.

Wednesday 27th April

Alliteration

- Broad leaves branch at the bottom of brown bottle trees
- Big birds building nests for baby birds unborn
- Crisply swim on leaves create and so feed like a sucking luteal
- What while through the waxy willows

Alliteration!

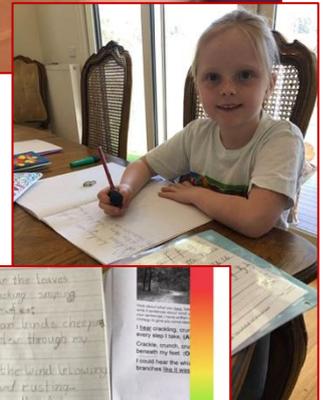

Autumn!

Autumn is a lovely time when fall, farmers harvest and squirrels do their nuts.

In our front yard, we have a Japanese maple tree. Leaves fall from it every autumn, leaves as red as blood!

I love Autumn!

Autumn!!!!!!!

MATHEMATICS HALL OF FAME
 World Top 100 students

Rank	Country	Name	School	Score
1	USA	Isabella	St. Ann's Episcopal School, TX, Australia	1000

10	USA	Allyson	St. Ann's Episcopal School, TX, Australia	1000

I could hear the leaves
 crunching, creating a snapping
 crunching, snapping
 I could hear birds chirping
 as they flew through my hair

I could hear the wind blowing
 whispering and rustling
 I could hear the Autumn
 leaves, crunching, falling, my
 hand, me
 crunching, crunching, rustling on
 the winds hit

I could hear
 the wind
 the leaves
 the trees

 Nick Williamson I can't wait to see what your writing looks like at the end of the week.
 Great work, Mackenzie
