This week we welcome back Sue Jordan who has been gallivanting (no other word for it!) all around the world for the last seven weeks.

She was greeted by very excited students this morning, clearly thrilled to see her and hear about her adventures.

We are in the process of planning staffing, grades and how specialist subjects will be delivered. With a growth in numbers, we will have the flexibility to offer a broader range of programs.

To assist with our planning, if you know of families who are considering Hesket Primary for 2020, please encourage them to express this interest to us.

Next week I look forward to heading to Phillip Island with the Senior school students.

While you're all here at school, we'll be visiting the penguins, Amaze'n'Things, Smiths Beach and enjoying a range of outdoor education activities.

We'll send you some photos while we're away!

Please see Nick next week if you have any questions.

Students of the Week

Congratulations to Hudson and Issy who were awarded last week's Student of the Week award. Hudson has been taking risks in his learning and Issy shows our school values every day. Well done to both of you!

Uniform – from last week

Can families please let Deb know if they are wanting to order any uniforms; Deb is about to place a final order for the year.

Subway/Canteen

Tomorrow is a Subway lunch day.

School Camp

Senior School students – this is an important announcement for you! Thursday night at camp is the 31st of October... Halloween! We will be having a disco and rumour has it, there might be scary outfits. What are you going to wear? What am I going to wear?
